NEW EXPERIENCE OF BEING TOGETHER WITH BUSINESS PARTNERS

The next challenge:
Paper Ribbon Rally
Around the World.

TSC offers comprehensive solutions for pulp and paper industry such as supplies of selected products, consulting, technological implementation, technical service and employee trainings.

The aim of our company is to provide support for our customers by choosing the best solutions, so that they can optimize their production processes in an environmentally friendly way.

We offer optimal solutions, state-of-the-art proven products that meet our customers' needs as well as latest technologies, all preceded by lab and industrial tests.

TSC is composed of three business areas:

- paper chemicals (chemicals for pulp and paper making process, water treatment and effluent treatment) and other products related to the forest cluster, chemicals for mining industry, chemicals for food industry;
- paper and cardboard;
- recycling paper.

The company's main office is located in Warsaw, its branch in Swiecie and Belarus (Borisov) respectively. We cooperate with companies from all over Europe, especially with paper mills in Ukraine, Russia, Poland, Belarus, Latvia, Lithuania and Moldova.
